Achieving Organizational Excellence

Implement WorkDay HRIS and Implement Trapeze: Workforce Management (WFM) and Enterprise Asset Management (EAM)

Conducted admin employee survey of critical systems awareness

- 353 responses
- 25% of respondents were unaware of the three systems
- The WFM module for Operations had the highest level of awareness followed by WorkDay and then EAM.
- Majority of respondents believe “Implementing these systems will benefit UTA and reinforce our position as a transit leader”
