

2024 Transit Asset Management Plan and Group Sponsor Transit Asset Management Plan

Summary of Request

- FTA Regulation requires transit agencies to plan for maintenance and rehabilitation of assets for all federal grant recipients
- UTA's Transit Asset Management (TAM) Plan meets this requirement
 - Updated every two years and presented to Board of Trustees for approval
- Staff requests that the Board of Trustees authorize the Executive Director to sign the TAM Plan update as the agency's Accountable Executive after the Board of Trustees presentation in the 11 September 2024 meeting
