This Agreement is entered into this _day of_, between the Utah Transit Authority ("UTA") and Teamsters Local 222 ("Union"), for the purpose of undertaking a harmonious working relationship between the UTA, the Union, and the UTA's bargaining unit employees. It is the goal and intent of the parties to set forth here an agreement regarding rates of pay, hours of work, certain work rules and terms of employment, and an orderly way to resolve differences which may arise. In furtherance of this goal, the UTA and the Union do agree as follows.

ARTICLE 2 - UNION RECOGNITION

Pursuant to the October 18, 2024, vote, which was certified by an Independent Election Monitor, the UTA recognizes the International Brotherhood of Teamsters Local 222 as the sole and exclusive collective bargaining agent for all the job classifications within Article (14).

ARTICLE 3 - MANAGEMENT RIGHTS

Section 1. Management Rights: All management functions and prerogatives which the UTA has not expressly modified or restricted by specific provisions of this Agreement are retained and vested exclusively in the UTA during the term of this Agreement and following its expiration unless otherwise modified by the Parties. Without limiting the generality of the above, the UTA has the right to manage its facilities and equipment; to plan, determine, direct, and control its operations; to direct the work of employees; set work rules and policies; and to establish additional reasonable rules and regulations that are not contrary to this Agreement. Daily operating adjustments will not be considered the establishment of another rule or regulation. The Parties also agree that the UTA's employee handbook contains reasonable rules and regulations, which may be adopted for this Agreement, at the UTA's discretion, the Local Union shall be notified of any such changes. The UTA understands the Union's right to bargain the effect of these types of changes.

Section 2. The UTA has the right to allocate and assign work to employees; establish, adjust and discontinue shifts; determine the appropriate staffing level needed, and to lay employees off; establish work schedules for employees, including determining the number of actual hours to be worked in any day, week or shift; determine the number of employees, positions, and types of positions necessary to operate any department, classification or division of the UTA; select who will be hired or not hired; determine and evaluate competency and fitness for duty; determine the knowledge, skill, qualifications and abilities necessary for employees to perform their job functions; establish or revise performance standards, including quality standards, and the methodology for measuring same; establish and modify performance levels for employees; implement incentives for special assignments; establish and revise safety standards; decide where or when training on a particular task or job is required, how much training is required, and to establish, discontinue, reorganize, and combine any job duties unless expressly modified or restricted by a provision of this Agreement.

The UTA will also have the right to discharge, suspend, or otherwise discipline employees for just cause; to demote or promote employees; to determine the methods of investigating potential employee misconduct and enforce a substance abuse policy.

Section 3. The provisions of this Agreement do not prohibit the UTA from directing any person not covered by this Agreement from performing any task. The UTA, therefore, has the right to schedule its management and other non-bargaining unit personnel at any time and in the manner of the UTA's choosing. The selection of managerial personnel will be the responsibility of the UTA and will not be subject to the grievance and arbitration provisions of this Agreement.

Section 4. It is agreed that the listing of the above management rights will not be considered to exclude other rights of management not specifically listed. Any other right relating to management of the UTA's business and the direction of the work force which the UTA has not specifically abridged, delegated, or modified by this Agreement, whether or not the UTA has used such power, function, authority and right before execution of this Agreement, is specifically retained by the UTA, and any failure to exercise any power, function, authority, or right in a particular way will not be considered a waiver of the UTA's right to exercise such power, function, authority, or right in a different manner, or preclude the UTA from exercising such power, function, authority or right in the future, so long as it is not in conflict with the express provisions of this Agreement.

The Local Union shall furnish or cause to be furnished to the Employer, a valid written authorization of each employee for the deduction herein provided. Such authorization and deductions are to be in compliance with any and all applicable federal and state laws. The Local Union also shall furnish to the Employer a monthly statement showing the names of all employees of such Employer from which deductions have been authorized and the amounts to be deducted in accordance with such authorizations. The Union shall indemnify and hold UTA harmless from any claims, demands or actions growing out of or relating to these dues' deductions and any D.R.I.V.E. deductions under Article (5) provided UTA has properly deducted and remitted the dues and fees to the Local Union.

ARTICLE 7 - SENIORITY / LAYOFF / RECALL

Section 1. Seniority Definitions:

Organization Seniority: is defined as the length of an employee's continuous service with UTA from the most recent date of employment or re-employment. Organization seniority shall apply for vacation accrual as provided for in this Agreement.

Classification Seniority: is defined as total length of continuous service within an employee's current classification under Article (14). Classification seniority shall apply to shift bidding.

Department Seniority: Is defined as the total length of continuous service within the warehouse & production specialist department. Department seniority shall apply to vacation requests.

Seniority List: The UTA shall furnish the Union and post a seniority list at the end of each calendar quarter. An employee who believes there are controversies regarding their seniority shall be settled by the UTA and the Union representative. Failing a settlement by these parties, the controversy shall be processed under the grievance procedure as set out in this Agreement.

Section 2. Layoff: A layoff is a reduction in the number of employees within any job classification due to any reasons other than voluntary separation or termination for cause. UTA will lay off employees in reverse order of their job classification seniority, as hereinafter provided.

- a) Employees being laid off shall be given five (5) business days' written notice in advance of such a layoff. The Union representative shall be furnished a copy of such notice.

- b) Whenever it becomes necessary to lay off employees, layoffs shall be by job classification seniority. To avoid being laid off, employees who are slated for layoff may apply their seniority to bump the least senior employee within any classification within the CBA, provided the employee is certified, cross-trained and is proficient in the performance of the job.
- c) Laid off employees shall have recall rights for one (1) year during which time they will retain their seniority.
- d) If the employee is not recalled within one (1) year of layoff, the employee's seniority shall be terminated.
- e) Employees who are laid off shall be given preference for reemployment in classifications of work for which they are qualified. Laid off employees who still have recall rights will be recalled to work as vacancies arise, in accordance with their job classification seniority. Employees with recall rights in a job classification will be offered recall before any new employees are hired into that job classification.

Section 3. Recalls:

- a) UTA shall notify employees to be recalled by UPS overnight delivery and a documented phone call. The recall notice will be considered to have been delivered the day following the phone call or sending by UPS delivery whichever is later. All employees on lay off shall have the obligation of providing UTA with their correct mailing address, phone number and personal email address. A recalled employee shall, within seventy-two (72) hours, inform UTA of their intent to accept or reject the recall order.
- b) An employee who fails to respond to the notice of recall within seventy-two (72) hours will forfeit any right to recall. An employee who does not receive notice of the recall because of the employee's failure to provide UTA with his/her correct information in the above Section 4 (a) will also forfeit any right to recall. The employee must report for work within ten (10) business days after receipt of the notice unless otherwise mutually agreed to. In the event the employee fails to comply with the above, he/she shall lose all seniority rights under this Agreement.

Section 4. Seniority Broken: Seniority shall be broken by:

- (a) Discharge.
- (b) Resignation or quit.
- (c) Promotion out of the bargaining unit.

- (e) As provided in Section 3 (b) above.
- (f) Failure to return from an approved leave of absence.
- (g) Being absent from work for three (3) consecutive scheduled workdays without notifying UTA, unless due to a condition beyond the employee's control.

Section 5. Transfer into the Unit: When an existing UTA employee from outside the Bargaining Unit transfers into the Bargaining Unit, their organization seniority will carry over for vacation accrual. For all other seniority related matters, the transfer date into the Bargaining Unit will be the recognized date.

ARTICLE 8 - NO STRIKES OR LOCKOUTS

Section 1. Strikes Prohibited: Section 17B-2a-813 of the Utah Public Transit District Act prohibits employees of a public transit district such as the UTA from joining in a strike against the UTA. As a result, during the term of this Agreement, the Union will not cause, condone or sanction any strikes, work stoppages, picketing on properties owned or controlled by UTA, slow-downs, mass absenteeism, sympathy strikes, or any other interference with the operations of the UTA. No employee shall engage in any strike, work slowdown or stoppage, or any other interference with UTA operations, and no lockouts shall be implemented by UTA. Any action of UTA in closing their facilities, stations, or operations during a general strike, riot or other civil commotion, for the protection of their station and property, shall not be deemed a lockout. It shall not be a violation of this Agreement, and it shall not be cause for discharge or disciplinary action in the event an employee refuses to enter upon any property of another company involved in a lawful primary labor dispute or refuses to go through or work behind any lawful primary picket line of another company.

Section 2. Remedies: The Union expressly agrees that it will take and use every reasonable, prompt and positive measure and effort to prevent and stop any acts described in Section I of this Article including, but not limited to, the mailing to each employee covered by this Agreement of a notice, signed by authorized representatives of the Union stating that the employee's action violates the Agreement and state law and instructing all employees to cease their illegal actions immediately. In addition to any employees being subject to potential termination under Section 3 of this Article, the UTA will also have the right to obtain an injunction in any federal or state court restraining the employees and the Union from striking and picketing or any other violations of this clause and will ultimately have the right to seek to have a court award damages resulting to the UTA from such activity.

Section 3. Discipline: All employees participating in or promoting any activity prohibited by Section 1 may be subject to discipline up to and including termination.

Section 4. Legal Action: In cases of alleged violations of the provisions of this Article, the grievance and arbitration procedure of the Agreement need not be exhausted, but the aggrieved party may, without such exhaustion, immediately resort to an appropriate Court of law to seek any available equitable, legal remedies, or both.

ARTICLE 9 - WARNINGS, SUSPENSION AND DISCHARGE

Section 1. Rules: Discipline, suspension, and discharge shall be governed by UTA policy as it may be amended from time to time. All time periods provided for herein may be extended by mutual written agreement between the Business Agent of the Local Union and the Employer.

Section 2. Representation: If a bargaining unit member reasonably believes that an investigatory interview arising out of their workplace behavior or performance could lead to discipline, they are entitled to ask for an available steward; if a steward is not available the employee may ask for another available employee as their representative.

Section 3. Discipline: Employee discipline will be issued, with an employee representative present if requested, within ten (10) business days of the date the Employer becomes aware of the incident leading to discipline in order for the discipline to be valid. All discipline will be specific, not general, in nature as to the alleged violation (e.g. time, date, place and nature of violation).

Section 4. Notices: Copies of all written discipline letters, suspensions, and discharges will be sent to the Business Agent of the Local Union within five (5) business days from the issuance of the discipline, in order for the discipline to be valid.

ARTICLE 10 - GRIEVANCE AND ARBITRATION

Section 1: All controversies over the interpretation and application of this Agreement will be taken up, considered and adjusted as follows. All time periods set forth here must be strictly adhered to unless extended in writing by mutual agreement of the parties. Failure to comply with these deadlines will cause the grievance to be waived.

Step 1: The first step will be for the grievant, with or without the shop steward, and his/her supervisor to resolve the issue. In order for the grievance to be recognized, it must be presented to the employee's immediate supervisor within five (5) business days of the event giving rise to the grievance.

Step 2: If the grievance has not been satisfactorily settled in Step 1, then within ten (10) business days of the occurrence, the grievance must be put in writing and filed by the Business Agent of the Local Union with the UTA Labor Relations Representative via email or personal delivery. The Business Agent and the UTA representative will set up a date and time to meet and seek to resolve the controversy.

Step 3: If no resolution is reached in Step 2, the matter may be submitted to a panel grievance committee composed of two persons appointed by the Union and two persons appointed by the UTA, who will meet jointly at a time and place mutually agreed upon not to exceed forty-five (45) calendar days from the outcome of Step 2. A grievance scheduled for a panel committee may be waived by mutual agreement between the parties and in such case the date of the waiver agreement shall act as the date of decision for the Panel. The decision by the majority of the panel committee will be final and binding upon both parties. The aggrieved party will have the right to attend the panel grievance meeting, provided he or she does so at his or her own expense. Failure to move any grievance to this Step 3 by written request within ten (10) business days following outcome of the Step 2 meeting will constitute a waiver of such grievance.

Step 4: If the grievance has not been settled in Step 3, either party may, within twenty (20) business days of the Panel's decision, submit the matter to Arbitration as set forth below.

- a) The Employer and the Union will seek to select an arbitrator by mutual agreement. If the two cannot agree upon an arbitrator, then it is agreed that the matter in controversy will be submitted to the ("FMCS") Federal Mediation and Conciliation Service, for settlement by obtaining a list of seven arbitrators and alternatively striking from the list until only one person remains who will then serve as the arbitrator for the matter.
- b) The decision of the Arbitrator will be specifically limited to the issue(s) submitted by the parties, and the arbitrator will have no authority to amend, alter, or change any provision of the Agreement in any manner. Any and all decisions made in accordance with the procedure here set forth will be binding upon all parties to this Agreement.
- c) The Parties hereto agree that the expenses and fee of the Arbitrator will be borne equally.

Section 2. Time Limits:

- a) The time limits contained herein may be extended for reasonable circumstances, investigations, interviews, etc. for specified periods of time, subject to the mutual consent of UTA and the Local Union in writing. Such consent shall not be unreasonably withheld.
- b) For the purpose of this Agreement, the term "business days" shall be defined as any day of the week that is not a Saturday, Sunday or legally recognized holiday.
- c) For the purpose of this Article, when counting "days" the first day shall be defined as the first full day after the action occurred.
- d) If UTA fails to convene an agreed to Panel within the forty-five (45) calendar day time limit specified in Step 3 above (or within any extension agreed to under subparagraph (a) above), the Union may, upon written notification to UTA, move the matter to the next step of the grievance procedure.

Section 3. Union Notification: Copies of all grievances and replies filed at Step 2 shall be provided by UTA to the Grievant, and where applicable, to the Union representative. The Union representative shall also receive a copy of the reply to the Step 1 meeting in the event that the decision at Step 1 is reduced to writing. The Union representative shall also be notified and present at any formal meeting calling for the resolution of a grievance.

ARTICLE 11 - STEWARDS

Section 1. Recognition: Utah Transit Authority (UTA) recognizes the right of the Union to designate stewards from UTA's seniority list. The authority of the steward so designated by the Union shall include the following duties and activities:

- a) The investigation and presentation of grievances to UTA in accordance with the provisions of this Collective Bargaining Agreement. Stewards or Business Agents may attend disciplinary meetings between supervision and an employee when requested by the employee.

Section 3. Limitations: UTA recognizes these limitations upon the authority of the Steward and shall not hold the Union liable for any unauthorized acts but may discipline a Steward who engages in such behavior.

Section 4. Release: When the Union requests Stewards to be relieved of their duties to attend Union Meetings, etc., such requests will be made to the Location Manager or Area Manager as soon as possible but at least 24 hours in advance and such permission will not unreasonably be withheld.

Section 5. Paid for Time: Stewards will be paid for time lost from their regularly scheduled forty (40) hour work week when attending meetings with a member of management at the request of management.

Section 6. Representation: Stewards will be allowed a reasonable amount of time to review grievance issues with employees with the approval of management so long as no disruptions occur in the workplace.

Section 7. Union Leave: Upon no less than ten (10) working days' written notice, UTA shall grant an unpaid leave for an employee with seniority to serve on Union business, pursuant to Union instructions, without discrimination or loss of seniority or fringe benefits protection, not to exceed thirty (30) calendar days each calendar year, excluding contract negotiations. The notice shall specify length of time off requested. No more than one (1) employee will be permitted on such leave at the same time, excluding contract negotiations. The Union agrees that such time off request shall not be exercised to the detriment or disruption of the operation of the business.

Merit pay increases for 2026, and 2027, will be provided based on performance, as defined in UTA's Administrative Employee Compensation Plan Policy, No. UTA.05.04 and UTA Agency SOP, No. 510.

Section 4. Overtime: If overtime is ever necessary/required, employees who work overtime will be paid at the rate of one and one-half times their regular hourly rate for all work performed in excess of forty (40) hours per week.

ARTICLE 23 - OVERTIME

Section 1. Overtime Guidelines: The UTA retains the sole discretion to determine in each instance if overtime work is required, and how much overtime work will be needed. Employees are expected to be available for a reasonable amount of overtime, as determined by the UTA. No overtime work may be performed without prior approval.

Section 2. Assignment of Overtime: In accordance with the UTA's usual process and procedures for offering overtime the manager or the designee will email all employees at once offering them the opportunity to volunteer. Assignments will be given on a first-come, first-serve basis. If there are no volunteers to fill the necessary overtime, management may require bargaining unit members to take overtime by inverse seniority.

ARTICLE 24 - TIME OFF

Section 1. Day(s) or Weekly Vacation Requests: Vacation will be taken on a first-come, first-served basis on available days or weeks during the calendar year. If one or more employees bid on the same day for the same time period, seniority will control. Vacation requests will ordinarily be submitted one week prior to the requested date. Once approved, an employee's vacation can be canceled with mutual agreement between the employee and the manager. There will be no blackout days during the calendar year. One (1) employee will be guaranteed off on any given day, upon the discretion of management more than one (1) employee may be allowed off.

Section 2. Separation: Employees who quit or are terminated or retire shall be paid all accrued but unused vacation on their final check.

Section 3. PTO Benefits: The UTA will offer paid time off to the bargaining unit employees for bereavement leave, court attendance/jury duty leave, military leave, and parental leave, on the same terms and conditions as UTA Policy No. UTA.05.02, which covers Paid Time Off for Administrative Employees. UTA Policy will continue to provide for utilization and enforcement of all PTO benefits. An employee requesting a leave of absence shall be governed by UTA policy. The UTA may, from time to time, revise its paid time off policies in the regular course of business. Employees and the Business Agent of the Local Union will be notified of such changes.

ARTICLE 25 - HOLIDAYS

Paid Holidays will be recognized and administered in accordance with UTA Corporate Policy No. 05.02. Should one of these holidays fall on a Saturday, it will be observed on the preceding Friday. Should one of these holidays fall on a Sunday, it will be observed on the following Monday.

Floating holidays will be used on a first-come, first-served basis on available days throughout the year. Floating holidays can only be used in whole day increments. Floating holidays are not carried over into a subsequent year.

ARTICLE 26 - VACATION AND SICK

Section 1. Sick Leave: Sick leave is provided for employees to mitigate against loss of income when an employee is unable to perform assigned duties because of illness or injury. Sick Leave may be used for the employee's own, or their dependent's, illness, injury, or medical appointment. Employees who have completed their probationary period and have accrued sick leave may use sick leave. Employees using sick leave must directly notify their supervisor providing as much notice as practicable. Where the need for leave is foreseeable, notice shall be given not less than twenty-four (24) hours in advance. The Authority may request written medical certification of an

illness or injury necessitating sick leave usage. After five consecutive days of sick leave, management may require the employee to submit a medical note.

After five consecutive days of sick leave usage, UTA may run Family Medical Leave (FMLA) concurrently with the absence. The employee will complete all necessary FMLA paperwork when required by the Employer.

Sick Leave is accrued at a rate of nine days per year (2.769 hours biweekly). Sick leave will not accrue during an unpaid leave of absence, or while receiving workers' compensation, short-term or long-term disability payments, or other insurance payments. While on FMLA, employees must use all available sick leave or other employees accrued time off benefits before taking unpaid leave.

Sick Leave pay is calculated using an employee's base rate of pay at the time of the absence.

Employees who leave or are terminated from UTA forfeit any sick leave balances, with the exception that Employees who retire and meet the definition of "Retired Employee" under UTA policy, may convert up to 900 hours of sick leave into a Retiree Medical Account at the time of retirement, which includes the Union's health Reimbursement Arrangement (HRA). Retired Employee means:

- The employee continues employment with UTA until their date of retirement.
- Employee is vested pursuant to the vesting schedule set forth in UTA's defined benefit plan.
- Employees must have completed and submitted within forty-five (45) days from their final day of employment all necessary paperwork to elect a retirement benefit as a monthly benefit or a lump sum distribution.

Section 2. Vacation Accrual: Vacation time accrues according to an employee's date of hire and length of service with the Authority. Vacation time accrues based on actual paid/time worked. Vacation will not accrue during an unpaid leave of absence, or while receiving Workers Compensation benefits, short-term and long-term disability payments, other insurance payments, or during a layoff. Employees accrue vacation at the rate shown below. Vacation pay is calculated based on using an employee's base rate of pay, including any premiums at the time of the vacation absence. Vacation pay shall be considered hours worked for overtime calculation. The maximum accrual of vacation is 360 hours.

Length of Service	Vacation Days Accrued
Date of Hire Through Year 2	13 days per year (4 hours per pay period)
Year 3 through 6	15 days per year (4.6 hours per pay period)
Year 7 through year 8	17 days per year (5.23 hours per pay period)
Year 9 through year 11	19 days per year (5.8 hours per pay period)
Year 12 through year 15	21 days per year (6.46 hours per pay period)
Year 16 through year 22	23 days per year (7.07 hours per pay period)
Year 23 years or more	25 days per year (7.69 hours per pay period)

Section 3. Vacation Deductions and Leave Interactions: Employees' vacation deductions will be charged only in the number of hours that they are scheduled to work. While on FMLA, employees must use available vacation after exhausting sick leave before taking unpaid leave. Employees may save up to 40 hours of vacation, during a leave of absence.

Section 4. Pay in Lieu of Time: Vacation pay shall be calculated on the basis off of an employee's straight time hourly wage. Employees with more than ten (10) years of seniority and at least eighty (80) hours of banked available vacation time, may in lieu of time off, request via email to receive pay for one (1) week in accordance with UTA policy.

Section 5. Vacation Incentive: UTA may at its discretion give an incentive of a minimum of eight (8) hours regular pay to bargaining unit members who bid and take vacations during undesirable weeks. If UTA uses this incentive, employees will be informed at the beginning of the calendar year which weeks or timeframes will receive the incentive.

ARTICLE 27 - HEALTH INSURANCE

The UTA agrees to pay one thousand five hundred dollars (\$1,500.00) per month into the Teamsters Security Fund for each employee that is enrolled in health insurance through the Security Fund. This fund will provide the Teton Plan in accordance with the rules prescribed by the Trustees of said Security Fund. Benefits for this premium shall include hospital, surgical, and dental benefits and other benefits as approved by the Trustees. Contingent upon ratification hereof by the bargaining unit taking place before June 30, 2025, such payment will begin with the first of the month following UTA Board approval hereof with coverage under the new plan commencing on that same date, at which time coverage under the current UTA health plan will cease.

The total contribution is currently \$1,500.00 per employee per month.

Section 5. An employee will lose coverage at the end of the month in which their employment has terminated unless the employee is eligible for and elects COBRA and makes timely premium payments as set by the Trust.

Section 6. The Local Union shall indemnify and hold the UTA harmless against any and all claims, losses, and damages that may arise as a result of deducting, withholding, paying and/or remitting all such funds as contemplated by this Article.

Section 7. The parties hereto accept the provisions of the Agreement and Declaration of Trust of the Utah-Idaho Teamsters Security Fund as may be revised from time to time and agree to enter into the appropriate Trust Agreement and ratify all actions heretofore taken or to be taken hereafter by the Trustees acting within the scope of their authority thereunder. The Employer accepts the Employer Trustees under such Agreement.
