

R2025-11-02-Resolution Approving the Authority's 2026 Eco Pass Contracts Including the Eco Pass Fare Structure

BACKGROUND

- The Public Transit District Act and Board Policy empower the Board of Trustees to approve contracts including reduced fares charged to riders.
- Board Policy allows the Board to preapprove contracts by resolution.
- Resolution R2023-11-01: Adopting the 2024 and 2025 Eco Pass Fare Structure of the Agency Expires December 31st, 2025
- Requesting to approve contract approvals and pricing for 2026
- Eco Pass Program
 - Designed to provide flexible, cost-effective transit benefits
 - For employers seeking to support sustainable commuting options for their workforce
 - Provides four options tailored to different organizational sizes and needs
 - Each pass type offers varying levels of commitment, pricing structures, and participation thresholds
