Research Demonstration Grant
Agreement for the E-Voucher System
Phase 2 Development Project**

Public Transportation COVID-19 Research Demonstration Grant Funds for the E-Voucher System Phase 2 Development Project

- The total project cost is \$538,200 (\$508,200 federal/\$30,000 local match)
- The award amount will be \$508,200
- No match is required
- UTA including in-kind match of \$30,000 of UTA staff time

E-Voucher System

- The UTA Coordinated Mobility Department is completing Phase 1 development of an electronic voucher (E-voucher) system to replace traditional paper voucher programs.
- Phase 2 will include enhanced functionality for agencies, clients and drivers including functionality for commercial transportation options such as Transportation Network Company operators and electronic public transit fare purchases.
- These enhancements will create opportunities of commercialization using the E-voucher application as a “software as a service” (SaaS) revenue model. This model could create a self-sustaining program.
