**RE: Contract 21-03429 Vehicle Program Management Consulting**

Dear Mr. Fawcett,

The purpose of this letter is to modify the current Vehicle Program Management Consulting Agreement ("Agreement") between Mott MacDonald (the Consultant) and Utah Transit Authority (UTA) dated July 16, 2021 (UTA Contract Number 21-03429). This Agreement pertains to the performance of Consulting Services for UTA.

This letter (Modification No. 8) is to increase the Not-to-Exceed (NTE) Amount from \$1,350,000 per year to \$2,350,000 per year.

The current Contract value is \$4,650,000. This Modification No. 8 will increase the contract \$1,000,000 per year, for a new Contract value to \$5,650,000.

All other terms and conditions of the original Agreement shall remain in full force and effect. If you are in agreement with the above referenced amendment, please sign on the line indicated below.
