Part 1 – Project information

GENERAL OVERVIEW GENERAL OVERVIEW

The Utah Transit Authority (UTA) was incorporated on March 2, 1970 under authority of the Utah Public Transit District Act of 1969 to provide a public mass transportation system for Utah communities. UTA seeks bids to supply UTA with oils, lubricants, and fluids for its Bus & Rail divisions as defined in this IFB, 22-03628BCM Oils, Lubricants, and Fluids.

UTA reserves the right to make an award of all or part of its requirements under this IFB to multiple Bidders.

CONTRACT PERIOD

~~The required time period for this project will five (5) years. To start January 1, 2023, and last through December 31, 2028.~~ The required time-period is five (5) years for this project. The contract shall commence upon the last signature date on Part 5 section C, and continue for no more than five (5) years. The expectation is that the Bidder(s) will provide all services and support necessary to fulfill all requirements set forth in this IFB for the duration of this contract period.

SCOPE OF WORK

The Bidder is to provide UTA with vehicle oil, lubricants, and fluids as identified on 22-03628BCM Oils, Lubricants, and Fluids Bid Form. The contract involves products and service that are necessary for the continuation of UTA's vehicle services. Any delivery delays of these products and service would disrupt UTA services and would force UTA to immediately seek alternative sources. Timely delivery is critical to meeting UTA's ongoing needs.

PREREQUISITES: Bidder must allow for P-Card transactions as an alternate payment method for purchase transactions less than \$5000.00 USD. All other Invoicing and payment must be in accordance with this IFB, and the Invoicing & Payment instructions as stated in Part 4 Section 10 a&b of this IFB.

All suppliers, vendors, distributors, providers, or bidders of bulk engine oils must follow API RECOMMENDED PRACTICE #1525A for the handling of bulk engine oils in addition to API Recommended Practice #1525 for the handling of bulk oils. API Licensing /Certification must be provided with bid.

CONTINGENCY & EMERGENCY PLAN: Economic conditions and Supply-Chain shortages continue to impact all industries to include the petroleum markets. As a result, UTA requires that the Bidder must submit, with their bid: 1) a contingency plan that defines the Bidder's actions taken to mitigate cost and delivery uncertainties that affect the price, availability, and safe delivery of its products; 2) an Emergency Plan that defines its ability to ensure the safe and consistent delivery of

its products and outlines its ownership and process for the safe containment and disposal of any product spillage resulting from the negligence of the Bidder, its agents, employees or Subcontractors.

BIDDER EXPERIENCE: Bidder's bid must provide a minimum of three (3) references; including the customer's name, address, and duration of services provided, to document evidence of at least five (5) years' experience in providing the products that are the same as or similar to those listed on UTA's Bid Form. Failure to provide this supporting data and references may render the bid non-responsive.

BIDDER VISITS/TECHNICAL SUPPORT: The Bidder must be available, on an "on-call" basis, and within one working day (Monday through Friday), to visit and answer questions, resolve problems, and provide technical advice/support to all of UTA's Maintenance Divisions as necessary. Upon the Project Manager's request, the Bidder must provide product data and training where necessary. Bidder must visit each service location monthly to answer questions, resolve problems and provide technical advice.

The Project Manager will oversee and coordinate monthly site visits and any technical aspect of this IFB and provide guidance as needed. Contract performance will commence on January 1, 2023.

A. EXPLANATION OF THE PRICE

BID PRICE: Bidder must record all pricing for products as listed on UTA's 22-03628BCM Oils, Lubricants and Fluids Bid Form. The Bid Form will be attached as a separate excel worksheet as part of this IFB in SciQuest. Bidder's pricing must include product price and any applicable discounts, fees, or surcharges. Product pricing must also include the corresponding Unit-Of-Measure (UOM). For any applicable Fees, or Surcharges, the Bidder must clearly define and provide written justification showing such cost are fair and reasonable.

UTA will not be responsible for or pay Freight Charges, or any costs, charges, or fees not identified on the Bid Form. All Pricing must be Tax Exempt. UTA understands the Bidder may not be able to bid all products listed on the Bid Form.

Only product pricing, discounts, fees, surcharges, and minimum quantity amounts identified in the Bid Form will be accepted.

A Bidder's failure to follow the format specified may be considered non-responsive.

PRICE ESCALATION: UTA will consider price adjustments (increases and reductions) no more than two (2) times annually, to occur every six months starting January 1st and June 1st, of each contract year. Price adjustments will be evaluated and calculated per product item. The Bidder must submit and justify their request for price adjustments in writing and provide written documentation from their suppliers to support any price adjustments. The Bidder must address all items affected by a specific price change at the same time when possible. Price adjustments will not be retroactive; order prices will not be changed until the adjustments are approved through a UTA written change order. UTA must consider requests for product price adjustments within a reasonable time from date of receipt;

Bidder warrants that it will not delay delivery of items pending price changes. If price increases are not mutually acceptable, the contract product item will be canceled. Requests for price adjustments must be delivered to the UTA Purchasing Department Contract Administrator, attention Brent Miller (Contracts Buyer) via email to: brmiller@rideuta.com, or delegate, thirty (30) days prior to the next price adjustment period.

The quantities indicated on UTA's Bid Form, are estimates and are only to be used in helping the Bidder provide realistic pricing. It's understood these figures are not to be considered or interpreted as a commitment or an obligation by UTA to purchase such amounts. UTA reserves the right to increase or decrease quantities as required during the term of the Contract. Those items showing zero usage were not purchased in the last year. However, they are still active items in the UTA system and may be required under the new contract.

MINIMUM ORDER QUANTITY: Bidder must use UTA's 22-03628BCM Oils, Lubricants, and Fluids Bid Form to list any applicable minimum delivery amounts for bulk deliveries.

The Bidder agrees that they will accept returns on excess items purchased under any resulting contract, at the same price purchased.

INVOICING AND PAYMENT TERMS: Invoices must not cover more than one delivery. Any applicable discounts must be clearly defined on invoices.

Invoices for conforming product must reflect both the Contract Number, Ship To Address, Product ID# number, Product Description, Delivery Quantity, and unit price. Payment Terms will be Net30 for deliveries of all products listed on UTA's Bid Form.

INVITATION FOR BIDS

Part 3 – Standard Terms of Solicitation

INSTRUCTIONS TO BIDDERS

1.1.1.1 Submission of Bids.

Bids must be uploaded to SciQuest by the “Bid ends” date and time listed on SciQuest. Bids uploaded after the deadline will be considered non-responsive. It is the responsibility of the Bidder to ensure that its Bid is properly uploaded by the deadline.

Log onto SciQuest at <https://solutions.SciQuest.com/apps/Router/SupplierLogin?CustOrg=StateOfUtah>; if you have already registered, login and search by Utah Transit Authority or the IFB number.

If you need to create an account, please select “Create Account” and then you can search UTA or the IFB number identified on the Cover Page. If you need assistance, please email the Utah Supplier Portal Support at SciQuestadmin@utah.gov. Instructions to Bidders are included in the IFB documents.

1.1.1.2 Minimum Standards.

This IFB sets forth the minimum requirements that all Bids must meet. Failure to submit Bids in accordance with this IFB will render the Bid non-responsive. UTA may waive immaterial errors in a Bid at its discretion and as permitted by applicable law.

1.1.1.3 Confidential, Protected, and Public Information

In accordance with Utah Code Section 63G-2-305(6) of the Government Records Access and Management Act (GRAMA) and UTA's Procurement Standard Operating Procedures (SOPs), Bids submitted by Bidders in response to this IFB and any accompanying documentation will not be made public until the public bid opening.

If the Bid includes information that the Bidder believes to constitute trade secret or non-public commercial or financial information protectable pursuant to UCA §§63G-6a-305(1) and 63G-6a-305(2) (collectively “Business Confidential Information”), then the Bidder must follow the procedure set forth in UCA §63G-6a-309.

Additionally, for ease of Bid evaluation, UTA requests that each Bidder also follow the steps identified below:

- a) Clearly mark all Business Confidential Information as such in its Bid at the time the

Bid is submitted and include a cover sheet stating "DOCUMENT CONTAINS BUSINESS CONFIDENTIAL INFORMATION" and identifying each section and page which has been so marked;

- b) Include a statement with its Bid justifying the Bidder's determination that certain records are Business Confidential Information for each record so defined;
- c) In addition to the Bid uploaded to SciQuest, upload a second copy of the Bid (as an attachment) that has all the Business Confidential Information deleted, and label such copy of the Bid "Public Copy." If a Bidder uploads a Bid containing no Business Confidential Information, no "Public Copy" need be submitted. However, any Bidder that submits a Bid containing no Business Confidential Information must so certify in a cover letter to its Bid; and
- d) Defend any action seeking release of the records it believes to be Business Confidential Information and indemnify, defend, and hold harmless UTA and the State of Utah and its agents and employees from any judgments awarded against UTA and its agents and employees in favor of the party requesting the records, including any and all costs connected with that defense. This indemnification survives UTA's cancellation or termination of this procurement or award and subsequent execution of the Contract. In submitting a Bid, the Bidder agrees that this indemnification survives as long as the Business Confidential Information is in possession of UTA.

All records pertaining to this procurement will become public information after award of the Contract, unless such records are identified as, and lawfully constitute, Business Confidential Information as specified above. No liability will attach to UTA for the errant release of Business Confidential Information by UTA under any circumstances.

1.1.1.4 Submitting Questions to UTA

Questions must be submitted via the SciQuest Q&A page before the end of the Question and Answer period. UTA's answers to timely questions will be posted on the SciQuest Q&A page.

1.1.1.5 Requests for Approved Equals or Changes

Whenever a brand, manufacturer, or product name is indicated in this IFB, they are included only for the purpose of establishing identification and a general description of the item. Wherever such names appear, the term "or approved equal" is considered to follow.

Requests for Approved Equals, Changes, or other exceptions to the IFB (collectively, "Requests") must be submitted via the SciQuest Q&A page before the end of the Question and Answer period.

Any request for an approved equal or request for change of the IFB must be fully supported with technical data, test results, or other pertinent information as evidence that the substitute offered is equal or better than the IFB requirement.

UTA's responses to timely Requests will be posted to the SciQuest Q&A page.

It should be understood that specifying a brand name, components, and/or equipment in this IFB will not relieve the Bidder from its responsibility to provide the product in accordance with the performance warranty and contractual requirements. The Bidder must notify UTA of any inappropriate brand name,

component, and/or equipment that may be called for in this IFB and must propose a suitable substitute for consideration.

UTA retains the discretion to withhold approval for one of more requested equals if the magnitude of requested approvals exceeds UTA's available resources to allow for adequate evaluation in support of a timely procurement.

1.1.1.6 Addenda to the Invitation for Bids

UTA reserves the right to make changes to the IFB, by issuing a written addendum to the IFB or through its responses to questions posted on the SciQuest Q&A page.

1.1.1.7 Multiple or Alternative Bids

Submission of multiple or alternative Bids, except as specifically called for in the IFB, may render all such Bids non-responsive and may cause the rejection of some or all of such Bids.

1.1.1.8 Withdrawal of Bids

A Bidder may withdraw its Bid from SciQuest before the Bid due date without prejudice to itself.

1.1.1.9 Cost of Bids

UTA is not liable for any costs incurred by Bidders in the preparation of Bids submitted in response to this IFB.

1.1.1.10 Examination of Invitation for Bids

The submission of a Bid constitutes an acknowledgment upon which UTA may rely that the Bidder: (i) has thoroughly examined and is familiar with the IFB, including the contractual terms in Part 4, (ii) is familiar with any work site identified in the IFB, and (iii) has reviewed and inspected all applicable statutes, regulations, ordinances, and resolutions addressing or relating to the goods and services to be provided hereunder. The failure or neglect of a Bidder to receive or examine such documents, work sites, statutes, regulations, ordinances, or resolutions will in no way relieve the Bidder from any obligations with respect to the Bidder's Bid or to any contract awarded pursuant to this IFB. No reduction or modification in the Bidder's obligations will be allowed based upon a lack of knowledge or misunderstanding of this IFB, work sites, statutes, regulations, ordinances, or resolutions. Minor clarifications and/or tailoring of terms and conditions must be considered.

1.1.1.11 Firm Offer

Unless otherwise stated in this IFB, submission of a Bid constitutes an offer to provide the goods or services described in the IFB, for the price set forth in the Bid. Such offer must be good and firm for a period of ninety (90) days after the Deadline to Submit Bids.

1.1.1.12 Disclosure of Organizational Conflict of Interest

An organizational conflict of interest means that because of other activities, relationships, or contracts, the Bidder is unable, or potentially unable, to render impartial assistance or advice to UTA; a Bidder's objectivity in performing the work identified in this IFB is or might be otherwise impaired; or a Bidder has an unfair competitive advantage. If a Bidder believes that it has, or may have, a real or perceived organizational conflict of interest, it must disclose such real or perceived organizational conflict of interest in its Bid, and describe the measures taken by the Bidder to mitigate such conflict. UTA will review such information and, in its sole discretion, determine whether a real or perceived organizational conflict of interest exists, and whether such conflict warrants disqualification of the Bidder, or may be mitigated by taking further measures.

1.1.1.13 No Collusion

By submitting a Bid, the Bidder represents and warrants that its Bid is genuine and not a sham, and that the Bidder has not colluded with any other parties regarding this procurement process. If UTA learns that the Bid is not genuine, or that the Bidder did collude with other parties, or engaged in any anti-competitive or fraudulent practices in connection with this procurement process, UTA may immediately terminate any resulting contract and seek any remedies available in equity or at law.

INVITATION FOR BIDS

Part 4 – Contract Terms

“Vendor” as used in these UTA Standard Terms and Conditions means the party contracting with Utah Transit Authority (“UTA”) to provide Goods and/or Services to UTA. The terms “Goods” and “Services” are intended to have their broadest meanings. “Goods” includes any equipment, parts, materials, supplies, project deliverables, and work product supplied by Vendor in accordance with the solicitation documents (“Solicitation Documents”) to which these UTA Standard Terms and Conditions are attached. “Services” includes labor, professional services, and any manual, technical and other human resources provided in the fulfillment of the Solicitation Documents, including those specified in the Solicitation Documents and any additional Services incidental to the furnishing of Goods.

1. **JURISDICTION, CHOICE OF LAW, AND VENUE:** Utah law governs this transaction. The parties must submit to the jurisdiction of the courts of the State of Utah for any dispute arising out of the Solicitation Documents and the contract (the “Contract”) resulting from UTA’s acceptance and counter-execution of a bid/Bid form submitted by the Vendor pursuant to the Solicitation Documents. Venue is in Salt Lake City, in the Third Judicial District Court for Salt Lake County.
2. **LAWS AND REGULATIONS:** Vendor and any and all Goods and/or Services furnished under the Contract will comply fully with all applicable Federal and State laws and regulations, including those related to safety and environmental protection. Vendor must also comply with all applicable licensure and certification requirements.
3. **RECORDS ADMINISTRATION:** Vendor must maintain all records necessary to properly account for the payments made to Vendor for costs authorized by the Contract. Vendor must retain those records for at least six years after the Contract is fully performed or terminated, or until all audits initiated within the six-year period have been completed (whichever is later). Vendor must allow UTA, State, and Federal auditors, and UTA agency staff, access to all the records relating to the Contract, for audit, inspection, and monitoring of Goods and/or Services. Such access must be during normal business hours, or by appointment.
4. **CONFLICT OF INTEREST:** Vendor represents that it has not offered or given any gift or compensation prohibited by the laws of the State of Utah to any officer or employee of UTA to secure favorable treatment with respect to being awarded the Contract.
5. **INDEPENDENT CONTRACTOR:** Vendor is an independent contractor. As such, Vendor has no authorization, express or implied, to bind UTA to any agreements, settlements, liability or understanding whatsoever. Vendor must not perform any acts as agent for UTA, except as expressly set forth in the Contract. Compensation stated in the Contract is the total amount payable to Vendor by UTA. Vendor is responsible for the payment of all income tax and social security tax due as a result of payments received from UTA for the Goods and/or Services. Persons employed by UTA and acting under the direction of UTA will not be deemed to be employees or agents of Vendor.
6. **STANDARD OF CARE.** Vendor must perform any Services to be provided under the Contract in a good and workmanlike manner, using at least that standard of care, skill and judgment which can

reasonably be expected from similarly situated independent contractors (including, as applicable, professional standards of care).

7. **SALES TAX EXEMPTION:** The Goods and/or Services purchased by UTA under the Contract are exempt from sales and use tax.
8. **DELIVERY:** Unless otherwise specified in the Contract, all Goods will be delivered FOB to the destination designated by UTA in the Solicitation Documents. Vendor must be responsible for delivery costs and all risk of loss must remain with Vendor until such time as the Goods are received by UTA, its agent or consignee, regardless of whether UTA has made full payment for the Goods. Vendor must deliver all Goods to UTA and perform all Services no later than the date(s) indicated in the Solicitation Documents. If Vendor fails to make delivery of any part of the Goods or fails to perform any portion of the Services on the date(s) indicated, UTA may terminate and pursue other remedies.
9. **INSPECTIONS:** Goods furnished under the Contract will be subject to inspection and testing by UTA at times and places determined by UTA. If UTA finds Goods furnished to be incomplete or not in compliance with applicable specifications and standards, UTA may reject the Goods and require Vendor to either correct them without charge or deliver them at a reduced price which is equitable under the circumstances. If Vendor is unable or refuses to correct such Goods within a time deemed reasonable by UTA, then UTA may cancel the order in whole or in part. Nothing in this paragraph will adversely affect UTA's rights including the rights and remedies associated with revocation of acceptance under the Uniform Commercial Code.

10. INVOICING AND PAYMENT:

- a. Contractor must invoice UTA after delivery of all Goods and satisfactory performance of all Services. Contractor must submit invoices to ap@rideuta.com for processing and payment. In order to timely process invoices, Contractor must include the following information on each invoice:

 - iii. PO Number
 - iv. Invoice Date
 - v. Detailed Description of Charges
 - vi. Total Dollar Amount Due

Payment for all invoice amounts not specifically disapproved or offset by UTA must be provided to Contractor within thirty (30) calendar days of invoice submittal.
11. **WARRANTY:** Vendor warrants all Goods (including hardware, firmware, and/or software products that it licenses) provided to UTA under the Contract for a period of one year, unless otherwise specified and mutually agreed upon elsewhere in the Contract. Vendor (seller) acknowledges that all warranties granted to the buyer by the Uniform Commercial Code of the State of Utah apply to the Contract. Product liability disclaimers and/or warranty disclaimers from the seller are not applicable to the Contract unless otherwise specified and mutually agreed upon elsewhere in the Contract. In general, Vendor warrants that: (1) the Good will do what the salesperson said it would do, (2) the

Good will live up to all specific claims that the manufacturer makes in their advertisements, (3) the Goods will be suitable for the ordinary purposes for which such items are used, (4) the Goods will be suitable for any special purposes that UTA has relied on Vendor’s skill or judgment to consider when it advised UTA about the Good, (5) the Goods have been properly designed and manufactured, and (6) the Goods are free of significant defects or unusual problems about which UTA has not been warned. Nothing in this warranty will be construed to limit any rights or remedies UTA may otherwise have under the Contract.

12. **INDEMNIFICATION:** Vendor must release, protect, defend, indemnify and hold UTA and its trustees, officers, and employees, harmless from and against any damage, cost or liability, including reasonable attorney's fees for any or all injuries to persons, property or claims for money damages arising from the willful misconduct or the negligent acts or omissions of Vendor, its subcontractors and suppliers, and their respective employees and agents, except to the extent caused by the negligent acts or omissions of UTA.
