INVITATION FOR BIDS

INVITATION FOR BIDS

Part 3 – Standard Terms of Solicitation

1.1 INSTRUCTIONS TO BIDDERS

1.1.1.1 Submission of Bids.

Bids must be uploaded to SciQuest by the “Bid ends” date and time listed on SciQuest. Bids uploaded after the deadline will be considered non-responsive. It is the responsibility of the Bidder to ensure that its Bid is properly uploaded by the deadline.

Log onto SciQuest at <https://solutions.scquest.com/apps/Router/SupplierLogin?CustOrg=StateOfUtah>; if you have already registered, login and search by Utah Transit Authority or the RFP number.

If you need to create an account please select “Create Account” and then you can search UTA or the RFP number identified on the Cover Page. If you need assistance please email the Utah Supplier Portal Support at scquestadmin@utah.gov. Instructions to Bidders are included in the IFB documents.

1.1.1.2 Minimum Standards.

This IFB sets forth the minimum requirements that all Bids must meet. Failure to submit Bids in accordance with this IFB will render the Bid non-responsive. UTA may waive immaterial errors in a Bid at its discretion and as permitted by applicable law.

1.1.1.3 Confidential, Protected, and Public Information

In accordance with Utah Code Section 63G-2-305(6) of the Government Records Access and Management Act (GRAMA) and UTA's Procurement Standard Operating Procedures (SOPs), Bids submitted by Bidders in response to this IFB and any accompanying documentation will not be made public until the public bid opening.

If the Bid includes information that the Bidder believes to constitute trade secret or non-public commercial or financial information protectable pursuant to UCA §§63G-6a-305(1) and 63G-6a-305(2) (collectively “Business Confidential Information”), then the Bidder must follow the procedure set forth in UCA §63G-6a-309.

Additionally, for ease of Bid evaluation, UTA requests that each Bidder also follow the steps identified below:

- a) Clearly mark all Business Confidential Information as such in its Bid at the time the Bid is submitted and include a cover sheet stating “DOCUMENT CONTAINS BUSINESS CONFIDENTIAL INFORMATION” and identifying each section and page which has been so marked;
- b) Include a statement with its Bid justifying the Bidder's determination that certain records are Business Confidential Information for each record so defined;
- c) In addition to the Bid uploaded to SciQuest, upload a second copy of the Bid (as an attachment) that has all the Business Confidential Information deleted, and label such copy of the Bid “Public Copy.” If a Bidder uploads a Bid containing no Business

Confidential Information, no "Public Copy" need be submitted. However, any Bidder that submits a Bid containing no Business Confidential Information must so certify in a cover letter to its Bid; and

- d) Defend any action seeking release of the records it believes to be Business Confidential Information and indemnify, defend, and hold harmless UTA and the State of Utah and its agents and employees from any judgments awarded against UTA and its agents and employees in favor of the party requesting the records, including any and all costs connected with that defense. This indemnification survives UTA's cancellation or termination of this procurement or award and subsequent execution of the Contract. In submitting a Bid, the Bidder agrees that this indemnification survives as long as the Business Confidential Information is in possession of UTA.

All records pertaining to this procurement will become public information after award of the Contract, unless such records are identified as, and lawfully constitute, Business Confidential Information as specified above. No liability will attach to UTA for the errant release of Business Confidential Information by UTA under any circumstances.

1.1.1.4 Submitting Questions to UTA

Questions must be submitted via the SciQuest Q&A page before the end of the Question and Answer period. UTA's answers to timely questions will be posted on the SciQuest Q&A page.

1.1.1.5 Requests for Approved Equals or Changes

Whenever a brand, manufacturer, or product name is indicated in this IFB, they are included only for the purpose of establishing identification and a general description of the item. Wherever such names appear, the term "or approved equal" is considered to follow.

Requests for Approved Equals, Changes, or other exceptions to the IFB (collectively, "Requests") must be submitted via the SciQuest Q&A page before the end of the Question and Answer period.

Any request for an approved equal or request for change of the IFB must be fully supported with technical data, test results, or other pertinent information as evidence that the substitute offered is equal or better than the IFB requirement. UTA retains the discretion to withhold approval for one of more requested equals if the magnitude of requested approvals exceeds UTA's available resources to allow for adequate evaluation in support of a timely procurement.

UTA's responses to timely Requests will be posted to the SciQuest Q&A page.

It should be understood that specifying a brand name, components, and/or equipment in this IFB will not relieve the Bidder from its responsibility to provide the product in accordance with the performance warranty and contractual requirements. The Bidder shall notify UTA of any inappropriate brand name, component, and/or equipment that may be called for in this IFB and shall propose a suitable substitute for consideration.

1.1.1.6 Addenda to the Invitation for Bids

UTA reserves the right to make changes to the IFB, by issuing a written addendum to the IFB or through its responses to questions posted on the SciQuest Q&A page.

1.1.1.7 Multiple or Alternative Bids

Submission of multiple or alternative Bids, except as specifically called for in the IFB, may render all such Bids non-responsive and may cause the rejection of some or all of such Bids.

1.1.1.8 Withdrawal of Bids

A Bidder may withdraw its Bid from SciQuest before the Bid due date without prejudice to itself.

1.1.1.9 Cost of Bids

UTA is not liable for any costs incurred by Bidders in the preparation of Bids submitted in response to this IFB.

1.1.1.10 Examination of Invitation for Bids

The submission of a Bid constitutes an acknowledgment upon which UTA may rely that the Bidder: (i) has thoroughly examined and is familiar with the IFB, including the contractual terms in Part 4, (ii) is familiar with any work site identified in the IFB, and (iii) has reviewed and inspected all applicable statutes, regulations, ordinances, and resolutions addressing or relating to the goods and services to be provided hereunder. The failure or neglect of a Bidder to receive or examine such documents, work sites, statutes, regulations, ordinances, or resolutions will in no way relieve the Bidder from any obligations with respect to the Bidder's Bid or to any contract awarded pursuant to this IFB. No reduction or modification in the Bidder's obligations will be allowed based upon a lack of knowledge or misunderstanding of this IFB, work sites, statutes, regulations, ordinances, or resolutions. Minor clarifications and/or tailoring of terms and conditions shall be considered.

1.1.1.11 Firm Offer

Unless otherwise stated in this IFB, submission of a Bid constitutes an offer to provide the goods or services described in the IFB, for the price set forth in the Bid. Such offer must be good and firm for a period of ninety (90) days after the Deadline to Submit Bids.

1.1.1.12 Disclosure of Organizational Conflict of Interest

An organizational conflict of interest means that because of other activities, relationships, or contracts, the Bidder is unable, or potentially unable, to render impartial assistance or advice to UTA; a Bidder's objectivity in performing the work identified in this IFB is or might be otherwise impaired; or a Bidder has an unfair competitive advantage. If a Bidder believes that it has, or may have, a real or perceived organizational conflict of interest, it must disclose such real or perceived organizational conflict of interest in its Bid, and describe the measures taken by the Bidder to mitigate such conflict. UTA will review such information and, in its sole discretion, determine whether a real or perceived organizational conflict of interest exists, and whether such conflict warrants disqualification of the Bidder, or may be mitigated by taking further measures.

1.1.1.13 No Collusion

By submitting a Bid, the Bidder represents and warrants that its Bid is genuine and not a sham, and that the Bidder has not colluded with any other parties regarding this procurement process. If UTA learns that the Bid is not genuine, or that the Bidder did collude with other parties, or engaged in any anti-competitive or fraudulent practices in connection with this procurement process, UTA may immediately terminate any resulting contract and seek any remedies available in equity or at law.

1.1.1.14 Federal Requirements. (if applicable)

If federal funds are being used to finance this project, the Contractor shall also comply with the additional applicable federal terms and conditions listed in Part 6a and submit all applicable certifications, forms and reports listed in Part 6b.

a. UTA eComply Solutions. In addition, where federal funds are being used, the Bidder/Bidder shall submit required labor and subcontractor information to UTA through following portal: <https://uta.ecomply.us>. The information provided shall include the following:

1.2.1.3 Responsiveness

Notwithstanding, minor clarifications/tailoring to terms and conditions may be considered.

1.2.1.4 Responsibility

UTA will not select a Bidder who is deemed by UTA, in its sole discretion, to lack the ability or responsibility to perform successfully under the terms of the contract. Such determination of responsibility may encompass management, technical, legal, and financial matters.

1.2.1.5 Checking References.

The Utah Transit Authority reserves the right to contact any reference specifically named by the Bidder in its Bid or any other additional references as deemed appropriate by UTA, including references suggested by the Bidder's named references or references known to UTA through its own knowledge of the transportation industry.

1.2.1.6 Requests for Clarification

The Bidder shall provide accurate and complete information to UTA. If information is incomplete, appears to include a clerical error, or is otherwise unclear, UTA may either (i) declare the Bid non-responsive, (ii) evaluate the Bid as submitted, or (iii) issue a Request for Clarifications to the Bidder stating the information needed and a date and time by which the information must be provided. If the Bidder does not respond to the Request for Clarifications in a timely manner, or if the Bidder's response is deemed to be insufficient by UTA, in its sole discretion, then UTA may declare the Bid non-responsive.

All requests for Clarification will be in writing via E-mail, responses submitted as per the instructions contained in the request for Clarification. Responses must be limited to answering the specific information requested by UTA.

“Vendor” as used in these UTA Standard Terms and Conditions means the party contracting with Utah Transit Authority (“UTA”) to provide Goods and/or Services to UTA. The terms “Goods” and “Services” are intended to have their broadest meanings. “Goods” includes any equipment, parts, materials, supplies, project deliverables, and work product supplied by Vendor in accordance with the solicitation documents (“Solicitation Documents”) to which these UTA Standard Terms and Conditions are attached. “Services” includes labor, professional services, and any manual, technical and other human resources provided in the fulfillment of the Solicitation Documents, including those specified in the Solicitation Documents and any additional Services incidental to the furnishing of Goods.

1. **JURISDICTION, CHOICE OF LAW, AND VENUE:** Utah law governs this transaction. The parties shall submit to the jurisdiction of the courts of the State of Utah for any dispute arising out of the Solicitation Documents and the contract (the “Contract”) resulting from UTA’s acceptance and counter-execution of a bid/Bid form submitted by the Vendor pursuant to the Solicitation Documents. Venue is in Salt Lake City, in the Third Judicial District Court for Salt Lake County.
2. **LAWS AND REGULATIONS:** Vendor and any and all Goods and/or Services furnished under the Contract will comply fully with all applicable Federal and State laws and regulations, including those related to safety and environmental protection. Vendor shall also comply with all applicable licensure and certification requirements.
3. **RECORDS ADMINISTRATION:** Vendor shall maintain all records necessary to properly account for the payments made to Vendor for costs authorized by the Contract. Vendor shall retain those records for at least six years after the Contract is fully performed or terminated, or until all audits initiated within the six-year period have been completed (whichever is later). Vendor shall allow UTA, State, and Federal auditors, and UTA agency staff, access to all the records relating to the Contract, for audit, inspection, and monitoring of Goods and/or Services. Such access must be during normal business hours, or by appointment.
4. **CONFLICT OF INTEREST:** Vendor represents that it has not offered or given any gift or compensation prohibited by the laws of the State of Utah to any officer or employee of UTA to secure favorable treatment with respect to being awarded the Contract.
5. **INDEPENDENT CONTRACTOR:** Vendor is an independent contractor. As such, Vendor has no authorization, express or implied, to bind UTA to any agreements, settlements, liability or understanding whatsoever. Vendor shall not perform any acts as agent for UTA, except as expressly set forth in the Contract. Compensation stated in the Contract is the total amount payable to Vendor by UTA. Vendor is responsible for the payment of all income tax and social security tax due as a result of payments received from UTA for the Goods and/or Services. Persons employed by UTA and acting under the direction of UTA will not be deemed to be employees or agents of Vendor.

8. **DELIVERY:** Unless otherwise specified in the Contract, all Goods will be delivered FOB to the destination designated by UTA in the Solicitation Documents. Vendor shall deliver all Goods to UTA and perform all Services no later than the date(s) indicated in the Solicitation Documents. If Vendor fails to make delivery of any part of the Goods or fails to perform any portion of the Services on the date(s) indicated, UTA may terminate and pursue other remedies.
9. **INSPECTIONS:** Goods furnished under the Contract will be subject to inspection and testing by UTA at times and places determined by UTA. If UTA finds Goods furnished to be incomplete or not in compliance with applicable specifications and standards, UTA may reject the Goods and require Vendor to either correct them without charge or deliver them at a reduced price which is equitable under the circumstances. If Vendor is unable or refuses to correct such Goods within a time deemed reasonable by UTA, then UTA may cancel the order in whole or in part. Nothing in this paragraph will adversely affect UTA's rights including the rights and remedies associated with revocation of acceptance under the Uniform Commercial Code.
10. **INVOICING AND PAYMENT:**

Payment for all invoice amounts not specifically disapproved or offset by UTA shall be provided to Contractor within thirty (30) calendar days of invoice submittal.
11. **WARRANTY:** Vendor warrants all Goods (including hardware, firmware, and/or software products that it licenses) provided to UTA under the Contract for a period of one year, unless otherwise specified and mutually agreed upon elsewhere in the Contract. Vendor (seller) acknowledges that all warranties granted to the buyer by the Uniform Commercial Code of the State of Utah apply to the Contract. Product liability disclaimers and/or warranty disclaimers from the seller are not applicable to the Contract unless otherwise specified and mutually agreed upon elsewhere in the Contract. In general, Vendor warrants that: (1) the Good will do what the salesperson said it would do, (2) the Good will live up to all specific claims that the manufacturer makes in their advertisements, (3) the Goods will be suitable for the ordinary purposes for which such items are used, (4) the Goods will be suitable for any special purposes that UTA has relied on Vendor's skill or judgment to consider when it advised UTA about the Good, (5) the Goods have been properly designed and manufactured, and (6) the Goods are free of significant defects or unusual problems about which UTA has not been warned. Nothing in this warranty will be construed to limit any rights or remedies UTA may otherwise have under the Contract.
12. **INDEMNIFICATION:** Vendor shall release, protect, defend, indemnify and hold UTA and its trustees, officers, and employees, harmless from and against any damage, cost or liability, including reasonable

attorney's fees for any or all injuries to persons, property or claims for money damages arising from the willful misconduct or the negligent acts or omissions of Vendor, its subcontractors and suppliers, and their respective employees and agents, except to the extent caused by the negligent acts or omissions of UTA.
