B. CONTRACTOR'S OFFER

By signing below, the Contractor makes a firm offer to deliver all supplies and/or perform all services or construction as set forth in the IFB (including any amendments), for the price set forth on Contractor's Bid Sheet Form. Contractor accepts all UTA terms and conditions included with the IFB and acknowledges that any conflicting terms and conditions contained in the Contractor's bid or Bid shall be considered null and void.

Signature must be by an officer of your company authorized to bind your company in contractual matters.

C. UTA'S ACCEPTANCE By signing below UTA accepts Contractor's offer	This acceptance creates a binding Contract, which

By signing below, UTA accepts Contractor's offer. This acceptance creates a binding Contract, which consists of the IFB Statement of Work or Services, UTA Standard terms and conditions, the UTA IFB terms and conditions, FTA terms and conditions referenced in the IFB, and the Contractor's Bid or Bid, in that order of precedence.

The effective date of the Contract is the date of the last signature on this page.
